Online Distance Learning Course

Are you looking to complete some conflict management training?

UK employers are frequently looking for individuals who can confidently and competently manage conflict in the workplace, so why wait?

This course aims to give you the knowledge and understanding to manage conflict in many forms, as well as learning how to best positively support individuals – an essential skill in anyone looking to move into a team leader or management position.

Section 1: Identifying and resolving conflicts

This course will allow you to develop knowledge and understanding of managing conflict and supporting individuals as required by a practising or potential first line manager.
