Environmental Conservation

This information is taken from an apprenticeship framework. It sets out what qualifications the apprentice can achieve.

This apprenticeship is closed to new starters from 1 August 2020

Summary of this apprenticeship framework

Level

2 (equivalent to GCSEs at grades A* to C)

Typical length

15 months

Current funding band

Up to £1,500 per apprentice.

[More information about funding](#)

Entry requirements

Your chosen training provider can advise you about entry requirements for apprentices.

Suitable roles for apprentices

- Conservation Officer
- Estate Worker
- Ranger
- Recycling Officer

Your chosen training provider can advise you about the kinds of skills apprentices will learn.

Qualifications

Apprentices will achieve a practical (or 'competence') qualification:

- Diploma in Work-Based Environmental Conservation

Apprentices will also achieve a theory-based (or 'knowledge') qualification:

- Award in Business for the Environment and Land-based Sector
- Award in Ecological Assessment
- Certificate in Land-based Activities

Your chosen training provider can advise you about the qualifications open to apprentices as they can change depending on individual and other circumstances.

Professional registration

None specified.
